SIGNATURE CHEFS AUCTION

A LAKE AREA PREMIER EVENT

THE EVENT: Signature Chefs Auction is a dinner auction that pays tribute to the culinary excellence of local chefs, restaurants and caterers while raising money to give babies a healthy start in life. For the 13th year, top chefs from various dining establishments will donate their time and talents to prepare a gourmet sampling reception of their signature dishes. A silent auction will be held during the sampling. The gourmet sampling is followed by a live auction, which includes unique dining, entertainment and vacation packages of varying sizes, styles and themes.

WHEN: Wednesday, November 16, 2011

WHERE: The Lodge of Four Seasons, Granada Ballroom, Lake Ozark

WHY: This sold-out event raised \$90,000 and attracted more than 500 enthusiastic guests in 2010. The Signature Chefs Auction provides invaluable funds for the March of Dimes Campaign for Healthier Babies which supports research, advocacy, community services, programs, and education into the cause and prevention of birth defects, premature births, and infant deaths.

We are raising money to save babies!

WHY WE SUPPORT

For over 70 years, March of Dimes has been saving America's children. Its lifesaving research, innovative programs, and dedicated volunteers have saved millions of babies from death and disability. With a track record of success in bringing people together to solve complex health challenges, the March of Dimes is uniquely qualified to take on the problem of prematurity.
